

CERTIFIED PRODUCTION QUALITY 2022-2024

This certificate is awarded to

Komet Medical

Gebr. Brasseler GmbH & Co. KG

for the ceramic dental implant production quality.

Implant samples produced by Komet Medical were tested thoroughly in an independent testing laboratory according to DIN EN ISO/IEC 17025:2018. Results of comprehensive analyses fully comply with the criteria for the Certified Production Quality following the consensus guideline of the CleanImplant Foundation Scientific Advisory Board, released in September 2017.

Berlin, January 19th, 2024

A blue handwritten signature of Dirk U. Duddeck is written over a faint circular watermark of the CleanImplant Foundation logo.
